THE SECURE WAY TO SELL YOUR PROPERTY

Selling your home shouldn't be stressful, slow, or uncertain. Yet for most people using a traditional estate agent, it still is. The average property sale in the UK takes over 125 days to complete, and around 30% of estate agency sales fall through before the point of exchange.

WITH REVIVE AND THE AUCTION COMPANY, WE DO THINGS DIFFERENTLY.

We combine the exposure of the open market with the speed, security, and transparency of a true auction sale.

- 28-DAY COMPLETIONS FOR CASH BUYERS
- 56-DAY COMPLETIONS FOR MORTGAGE BUYERS
- CONTRACTS EXCHANGED AS SOON AS THE GAVEL FALLS
- 10% BUYER'S DEPOSIT PAID ON THE DAY OF SALE
- AS THE SELLER YOU PAY NOTHING! (ALL FEES PAID BY THE BUYER)

LEGAL PACK & CONVEYANCING

A Legal Pack is the documentation, prepared on your behalf, that enables you to sell your property by auction. In estate agency sales, legal documents are prepared after the price is agreed. As properties complete quickly at auction, these documents are prepared before the bidding starts.

A LEGAL PACK TYPICALLY CONTAINS:

- Official copy of Register of Title (Office Copy Entry)
- Land Registry and Local Searches
- Special Conditions of Sale
- Property Information Form
- Fixtures and Fittings Form
- Management Information
- Leases / Tenancy Agreements
- Planning Permission Documentation
- Energy Performance Certificate (EPC), if applicable

FEES & COSTS

TRANSPARENT. FAIR. 100% COST-FREE FOR THE SELLER.

When you sell your property at auction you pay nothing. EVER.
All costs are covered by the buyer — you receive the full sale price achieved at auction.

NO COMMISSION. NO HIDDEN CHARGES. NO SURPRISES.

THE STEPS TO SELL AT AUCTION

If you decide that selling your property at auction is the right choice for you, here's what happens next.

01

SET A PRICE

We will help you set a guide price — the amount we advertise your property for. Experience tells us the final selling price is higher than the guide price. We'll also help you set a reserve price, the lowest amount you would accept for your property.

02

PRE-MARKETING

Your local or appointed agent will prepare property details, including images, measurements and required certificates. We complete ID checks (a legal requirement to sell a property), and the Legal Pack is prepared.

03

MARKETING

To secure viewings and the best final price, our marketing strategy ensures your property gains maximum exposure. Our expert photography, social media marketing and communications to our existing client database attract committed, motivated buyers.

04

BIDDING TAKES PLACE

Your property is allocated a specific time slot on auction day. Interested buyers will have reviewed the Legal Pack before bidding. Bids are taken live, and if the highest bid meets or exceeds your reserve, the sale becomes legally binding at the fall of the gavel. Contracts exchange instantly, and the buyer pays the required deposit and fees.

YOUR PROPERTY GOES TO AUCTION ONCE THE LEGAL PACK IS COMPLETE — BIDDING RUNS AS A TIMED AUCTION WITH A SET START & END TIME.

Depending on the method used, our team will then guide your property to completion within 28 or 56 days.

FREQUENTLY ASKED QUESTIONS

HOW MUCH WILL I GET FOR MY PROPERTY?

We'll discuss the valuation with you and set a Reserve Price — the minimum you'll sell for, which you must be willing to accept if reached during bidding. The reserve is not disclosed to bidders, so we set a Guide Price to attract competitive bidding, usually within 10% of the Reserve.

HOW LONG IS THE AUCTION OPEN FOR?

This can depend on you, your property and the interest received during marketing. We'll discuss this with you to optimise your property's exposure and the number of interested bidders.

WHAT IF I CHANGE MY MIND?

If your property reaches the Reserve Price you set and you do not complete the sale, you'll be liable to pay the auction fees as per the contract agreements — the equivalent of the Buyer Fees. The buyer may also claim against you.

HOW DOES REVIVE COLLECT A FEE?

Our income comes from the buyer who purchases your property — not from you. The buyer pays a Buyer's Premium, which does not form part of the payment for your property.

WHAT IF THE RESERVE PRICE IS NOT REACHED?

We'll let you know the best bid and, if you wish, you can accept it and proceed to completion. Or we can market your property again and place it in our next available auction, potentially with a revised Reserve Price.

WHY DO I NEED A LEGAL PACK?

In an estate agency sale you won't think about legal documents until a sale is agreed. With an auction sale, due to the speed and security for all parties, these documents are prepared before the auction for interested bidders to read.

I'VE RECEIVED A PRIVATE OFFER, CAN I ACCEPT?

Whilst your property is being marketed by us, if you sell outside of our agreement you will be liable for the auction fees. We work hard on your behalf to ensure a fast, secure and committed sale at the best price.
